

# GROUP STUDY GUIDE

WEEK OF MAY 18, 2025 | IN OUR CHURCH

## WARM-UP QUESTION

Take a moment to check in: How did your “I will” statements go this past week?

## DISCUSS

Read [Romans 12:3–8](#)

- What stands out to you about God’s character in this passage?
- What does it mean to “think rightly” about yourself? Why is that important in the body of Christ?
- List the spiritual gifts mentioned in this passage. Which ones are familiar to you, and which would you like to explore further?
- Where do you see God’s grace showing up in your unique giftings? How are you actively using them?
- What’s one barrier that might be holding you back from using your gifts more fully?
- Where else in Scripture do we see God using individuals with different gifts to serve on mission? (Some examples to explore could include the Disciples, Paul and Barnabas, or Moses and Aaron)
- Where do you see the picture of the body at work—in your group, church, or community?

*If you’re unsure what your spiritual gifts are, consider taking a [Spiritual Gift Assessment](#) this week.*

## TAKE ACTION

**What is God speaking to you? What is your next step of obedience you can take this week?**

Craft a personal and practical “I will” statement:

- Keep it specific, realistic, and doable this week.
- Share your “I will” statement with the group for encouragement and accountability.
